

LEAVENWORTH COMMUNITY CHIPPING PROGRAM

May 3rd— June 5th, 2026

**This is a FREE service for residents within
Chelan County Fire District #3**

Acceptable Pile

- ◆ Woody limbs and branches only, up to 9" in diameter.
- ◆ Piles only—must be hand piled.
- ◆ Piles must be easily accessed by a truck pulling a chipper, as close to the roadway or driveway as possible, approximately 5 to 10 feet.
- ◆ Limit Pile size to 5 feet tall.
- ◆ Must be piled so cut ends are facing the road.
- ◆ If access is poor, chipping may be denied or we may ask you to make it more accessible.

Unacceptable Pile

- ◆ Construction or building materials
- ◆ Trash, Weeds, Vines, Flower Stems, and other trimmings.
- ◆ Root wads, stumps, dirt or rocks.
- ◆ Grass clippings or leaves.
- ◆ Pine needles or cones
- ◆ Woody material with nails or wire.

Chipped debris will be piled back onto the property.

The City provides yard waste pick-up services to residential customers twice a year, once in the spring and again in the fall. You can bag your chipped debris into paper lawn and yard waste bags to be picked up. Check the city website for announcement of those dates.
